Farm. Forage. Feast.

Dec.1—April 20

This exhibit examines the intersection of cultures, economies, education, and the environment relating to the production and consumption of food in the High Country of North Carolina.

- **Free of charge** for public and home groups in Watauga and contiguous counties • Limited number of reimbursements for school bus travel available for Watauga schools that receive **Title I funding** (thanks to a grant from St. Mary of the Hills Episcopal Church) • Advance notice of 2 weeks is required • Maximum class size 30
- Teachers will be given pre- and post-visit questions to preview and summarize • Grades 4-8 • More information: Willard Watson, Programs & Outreach Director 828.295.9099 x 3006, programs@blowingrockmuseum.org, or www.BlowingRockMuseum.org

Using the lenses of oral histories, photography, and local history. We take visitors on a journey to learn about how bees make honey, breeding pigs, maintaining an apple orchard, making molasses, hunting mushrooms, and preserving the harvest! Everybody has to eat and the high country is a great place to farm, forage or feast!
